TWO ITEMS FROM GAMES

1 – The games committee are looking to introduce some **9 hole competitions** in September to try and see if this is a worthwhile process for future years. Watch this space.

2 – **Slow play**, the games committee will be monitoring players in competitions in 4 comps this season to try and understand why we get slow play, may we take this opportunity to advise players that 3 hours and 45 minutes is an acceptable time to play a singles competition. If groups are taking longer than this questioning why.

ON LINE BOOKING

As you know we introduced a new on line booking system earlier this year because of the benefits it brings to the club. Whilst we are delighted that more than 69% of Members have now registered we recognise that a number still have not done so. It would help to know the reasons why in case there is something more we can do to help Members with this change.

We intend to issue a short questionnaire to a number of those who have not registered, as follows:

- I don't have a computer, tablet or mobile phone or access to one.
- I don't know how to use the terminal in the club house.
- I simply don't agree with the system and won't use it as a matter of principle.
- I rely on my playing partners to sign me in.
- I haven't got round to registering yet

Assuming we retain the system is there anything more we can do to help you learn how to use it. If so please specify...

If you have any comments, please hand them to the Office in writing.

Thank you for taking the time to assist us with this matter.

A screenshot of the BRS GOLF website's member booking interface. The page has a dark header with the BRS GOLF logo and navigation links: Home, Booking Engines, Training, Websites, Features. Below the header, there's a "Member's Booking Information" section with a "Help" button. Navigation buttons include BACK, HOME, and LOG OUT. The user is identified as John Smith with a "MY ACCOUNT" button. A "Competition Purse Balance : £10.00" is shown with a "View Competition Purse Transactions" button. A section titled "Your Bookings in the next 28 Days" contains a table with columns for Date, Time, Player 1, Player 2, Player 3, Player 4, and Go To Timesheet. A booking is listed for Saturday, 10 Jan at 09:00 with players John Smith, Brian Smith, and Patrick McCrudden. Below the table is a "Casual Golf Bookings" section with text explaining booking rules and restrictions.
